Service changes :-

Services 42/43 replace routes 40/41 from Newcastle to Dudley (services X5/X6 now serve Fern Drive and Burradon to Newcastle). Route 42 from Kirkhill/Morpeth and route 43 from East Hartford combine at Cramlington with route 41 from Blyth to provide a stopping service every 20 minutes between Cramlington Shops and Newcastle via Dudley and Wideopen and also every 20 minutes via Beacon Hill and Wideopen. From Wideopen the 41/2/3 combine to give a 10 minute frequency to Newcastle with a 5 minute frequency from the Travellers Rest Wideopen to Newcastle in conjuncture with service 45.
