**Service Changes :-**

New service X4 replaces routes 363/364 with all journeys now running via Tillmouth Avenue in Seaton Delaval and via the A188 Benton Lane to pass Balliol and Quorum Business Parks on the main road. In combination with services X5/X6 route X4 will provide a fast express service every 15 minutes between Newcastle and Quorum daytime with a half hourly evening service.

**Stop arrangements** - X4 will serve all stops between Blyth and Quorum A188 then stop only at West Farm Avenue/Fairfield and South Gosforth roundabout before Newcastle Haymarket (also stops at B1318 Forsyth Road during the Hoppings Festival).
