

Complete control. In the palm of your hand.

Arriva have two apps for your phone which can make your daily journey even easier.

Using our journey planning app means you see local Arriva buses as they move along their routes, so you know when yours will be at your bus stop. Tell the app where you want to travel from or let it default to where you are now and it will tell you bus times for the next hour.

Our m-ticket app means you can buy and save our great value tickets on your mobile, removing the need for paper tickets which can get lost easily - just register on the app, log in, and pay using a Debit or Credit Card, Apple Pay, Android Pay or PayPal!
